

# SECURAMERICA

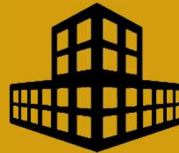

Distinctively Different

## Experienced Security and Customer Service Partner

Focused on the Unique Needs of our Clients

10,000+  
Employees

1,000+ Facilities  
Secured

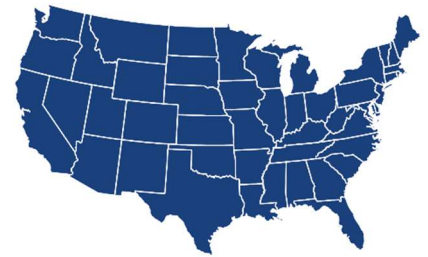

**Integrated  
Solutions**

SecurPatrol enables our team to manage physical patrolling, incident tracking, and overall security management. This tech enabled program measurably improves both our security program productivity and service quality.

**Legendary  
Service**

Our operational model delivers **Legendary Service** to each customer by selecting the right people, training them to exceed your requirements, and providing them with a culture that is focused intensely upon client and employee satisfaction

**National  
Coverage**

We ensure consistent program delivery for mutli-site / multi-state customers. Delivering complete integrated solutions for our customers as a one stop shop nationwide.
